

**Job Role:** Electrician-Cadman Design and Build Ltd.

We are looking for a highly experienced and knowledgeable electrician required for on-going works covering predominantly South West London. Most of our projects are loft conversions, extensions and full property renovations. The ideal candidate will be able to perform electrical tasks to a high standard and have multi trade skills.

**Key responsibilities:**

- Rewiring
- Fuse board replacements and upgrades
- All lighting installations-indoor and outdoor
- Appliance connections (e.g. cookers, extractor fans etc)
- Install sockets, lights, underfloor heating
- Fault finding and repairs
- Be able to provide a high quality of workmanship in accordance with NICEIC regulations and the latest BS7671 wiring regulations.
- Work as a part of a team and undertake other such duties as required.

**About you:**

- Highly experienced (3-5yrs)
- Elecsa/NICEIC registered/ECS Gold Card electrician/JIB Gold Card electrician.
- Strong multi skilled background.
- Must have own tools and transport.
- CIS registered
- Electricians must have ECS or CSCS
- Polite and able to establish rapport with clients and operatives.
- Good English speaker

**Job Type:** Contract

Preferred start date: July/August/September 2018

Salary: £130.00 to £170 per day

Hours of work: Monday to Friday 8am-5pm.

To secure an interview please send a short email outlining your suitability for the role along with your CV to [info@cadmandesignandbuild.com](mailto:info@cadmandesignandbuild.com) for information about the role please contact Alex on 07751 583714.
